

"X" denotes the grades for which a school district provides its students tuition.

Green denotes school districts that do not operate a school nor is the town a union school district member.

Blue denotes a district that is not preK-12 but tuitions all its students.

Yellow denotes unorganized towns and gores with students.

For grades K-6, the school board may determine the school(s) to which a district pays tuition (16 V.S.A. § 821). For grades 7-12, the parents or guardians may choose a public or an approved independent high school (16 V.S.A. § 822) unless the district has designated another school as its public high school (16 V.S.A. § 827).

Excluding Gores and Unorganized Towns				46		11	11	21	41	2

1. No grades operated, K-12. There are 8 K-12 school districts that do not operate a school.
2. There are 4 school districts that do not operate any grades but are not a K-12 district. The town also belongs to a union school district for the grades for which its school district does not provide tuition.
3. Designated high schools have formal arrangements with school districts to provide education for the district's students. The designated high school acts as a public high school for the school district.
4. Buels Gore, Ferdinand, Glastenbury, and Somerset are unorganized towns or gores.

50 districts and unorganized towns and gores tuition one or more grades
 minus 4 unorganized towns and gores
 46 school districts tuition one or more grades
 minus 8 school districts that do not operate any grades, K-12, and tuition all students
 38 school districts that both operate some grades and tuition others
 minus 4 school districts that are not K-12 districts, do not operate any grades, and tuition all students
 34 school districts that both operate some grades and tuition others

41 districts do not operate a high school, and the towns are not members of a union high school district.
 minus 2 districts must tuition high school students to the designated high school.
 39 school districts have some measure of choice for high school, grades 9 - 12.

These data can be viewed at: http://www.state.vt.us/educ/new/pdfdoc/pgm_finance_data/towns_without_schools_0706.pdf

For grades K-6, the school board may determine the school(s) to which a district pays tuition (16 V.S.A. § 821). For grades 7-12, the parents/guardians may choose a public or an approved independent high school (16 V.S.A. § 822) unless the district has designated another school as its public high school.
