RE: Draft Report of the Task Force

DATE: December 10, 2021

The Vermont School Boards Association (VSBA) appreciates the opportunity to provide input to the Task Force on the Implementation of the Pupil Weighting Factors Report as you conclude the process that began in June. We thank the Task Force members for their dedication and work throughout the process.

The VSBA Board received the Draft Report of the Task Force on Wednesday morning (December 8) and discussed it at their regular monthly meeting later that day. Many Board members had not had a chance to review the Draft Report yet; those who were able to look at it before the meeting were not able to review it fully.

Due to the tight time frame, the VSBA Board does not have an official position on the Draft Report of the Task Force. The Board will discuss the Draft Report again at its January meeting and develop a position at that time.
